

Rocla® Precast Electrical Pits

Rocla® Precast Electrical Pits are manufactured from high quality reinforced concrete, in a quality controlled factory environment. These pits are available in CPO® circular or RKO® rectangular pit configuration, and come with a range of available lids and tops.

Strength and Versatility

- RKO® and CPO® pits are heavy duty class D rated
- RKO® and CPO® pits are manufactured for ease of knocking-out
- RKO® and CPO® pit components are provided with cast in lifting adaptors for ease of handling
- Each pit structure has the required structural integrity to meet industry standards
- Cast iron covers in Class B and D applications (AS3996-2006)
- Concrete covers in Class A and C applications (AS3996-2006)
- Cast iron covers are standard lid offerings optional – fitted with tamper resistant Barri Bolts.
- Electrical cover tags available upon request
