

POLLUTION INCIDENT RESPONSE MANAGEMENT PLAN

Rocla Pipeline Products – Grafton

80 Clark Road, Trenayr NSW 2460
NSW EPA licence 4786

Contact details

Rocla has nominated key individuals who are responsible for incident management on site.

In the event of a **material harm** pollution incident, authorities must be notified without delay. Notification is to be made only by authorised contact persons.

Authorised persons must make external notification to the relevant authorities listed below.

Step 1. If there is an **immediate threat** to human health or property, call:

Authority	Phone
Fire & Rescue NSW NSW Police NSW Ambulance Service	000

Step 2. Call **ALL** of the following authorities **in the order listed**:

Authority	Phone
NSW EPA Environment Line	131 555
NSW Ministry of Health Lismore Public Health Unit	BH: (02) 6620 7585 AH: Environmental Health 0428 882 805
SafeWork NSW	13 10 50
Clarence Valley Council	BH: (02) 6643 0200 AH: (02) 6626 6858 After Hours Emergency Contact
Fire & Rescue NSW	1300 729 579 <ul style="list-style-type: none">If 000 already called in Step 1, you do not need to ring Fire and Rescue NSW again)

Communicating with neighbours and the local community

Rocla will provide early warnings and regular updates (to owners and occupiers of premises who may be affected by an incident) by the following means:

- Phone calls or SMS
- Doorknocking

Communications used will be appropriate to the circumstances.

Guidance and instructions will be provided in communications to minimise risk of harm to neighbours and the community.
